BLACK BIN OR BLACK COLUMN

HOW DOES IT WORK?

When to put my garbage container outside?

The evening before the waste collection day.

Who is responsible for the maintenance of the containers?

You will have to keep them in a clean working state (periodical washing).

Container stolen: What to do?

In case of theft, your container will be replaced on presentation of a theft report effected at your local police station.

Out container = full container

Put your rubbish container out only when full.

Attention ! Black garbage bags left on the ground will no longer be collected.

Please be respectful with the agents.
