Mona,
We need to move it to Plaza 2 Room 5. I am having problems with the ISDN lines on Reynolds 10. This will be fixed next week.

Jettie, I understood that we can now videoconference in the 10th Floor Board Room. I am copying Tommy on this note, so if we need to move he will let us know...thanks Tommy.

Tommy, please reply to all and let us know if all is okay for the 10th Board Room.

Thanks.

Mona -- help!

I just learned from Tommy Kluttz that the OK AG requires "videoconferencing" not "teleconferencing" .. so, I need to move meeting to Plaza - Room 5. Do I need to start all over again????
