TELEFAX

Dear Terri,

Thank you for your fax informing me of the new fax number.
I need a favour !!!

Your company seems to have a number of different addresses on our people. The entire marketing department is placed in House of Prince A/S, Tobaksvej 4, DK-2850 Søborg. The people of the marketing department are:

Mr. Geirr Arnø
Mr. Torben Schiermer
Ms. Florence Laraignou

You normally write "Skandinavisk Holding A/S" on the letters for marketing, but this company is no longer on this address, so I would appreciate if you would let the right people know the correct address as stated above.

I hope it is not too much trouble for you - thanks a million.

Best regards,

Lisbeth
