Cigs are on the way! I was at an off-site on Friday - didn't get your message until today.

Hope that you & Mom had a good time with Joanne.

I'll keep my fingers crossed for your coop meeting -- I'm sure you are totally qualified -- but people can be jerks!

Yes, Annette is nice, normal, smart, .....I am feeling very fortunate.  
My brother is coming to town end of the week. After that - we'll have to get together again.

Call me tomorrow -- it's one of the last days I'll be in the office because of legal shit!!!

Best -- Suzanne
