

Mr. J. A. Crowe  
Vice President

July 3, 1952

H. R. Hammer  
Director of Research

I am enclosing a statement for \$100.00 Industrial Sustaining Membership dues in the Southern Association of Science and Industry, dating from July 1952 to July 1953.

We first joined this association in January 1951, after which the fiscal year was changed to July.

I would recommend that we continue this membership.
