Jeff:

I've reformatted the public smoking program budget, to eliminate the current 1988 funding. I've suggested that State Activities do the same.

What we'll present to Sam, then, is 1988 additional and a 1989 estimate. The budget summary and a budget including line items both are attached. I'll need for you to add the advertising information and get the complete package to me by messenger (357 Holmes Drive N.W., Vienna, Va., 22180) by the end of the day Tuesday. That'll give us a day to review it and make changes, so I'll have

ays -- 255-3841. I'll want to look at a complete package Wednesday -- I can come in late afternoon - evening (after the painters leave) either or both days, if necessary, to go over the stuff. Or you can hop the Metro to Vienna.

I've got all of my down under materials home with me, so I'm prepared to talk at any time.
