Lewis,

We have done proposals for PACT, Novation, Broadlane, Innovatix, Premier, and MedAssets. Are there any others that you are needing included in this? These are just waiting for approval. Thanks for all your help.

RC, I would like to send all of the GPOs except Amerinet and Consorta the new Morphine Oral Solution prices. The Prices would be at the current prices that they are paying for the unflavored. Usage would be at one, we do not know the usage. Call me if you have any questions.

Thanks,  
Lewis
