

11/21 Meeting with HBI

Told Cammer they were investigating HBI.
this weekend or next weekend.

Deliberate effort to reduce credibility
Repace + Banachaf

Network on Environmental Technology Transfer
(NETT) new subcommittee on IAB - HBI to chair

Haris Poles

poll

press release to media

follow up with seminars for gov't, business

- use 1 or 2 slides about what the survey found

- then normal seminar

Media tours

then back in six months, after doing
building studies

on return trip, bring up smoking issues

- how to do smoking areas, etc.

Relationship w/ ^{Consortium} EnviroSense / Interface
Interface does VOC's - advocate ventilation
Approach.

Textiles - Carpet	} Consortium
polymers - floors	
paints - Porter Paint	
USGypsum - mayer	

Already has seminars on IAQ.

Would like to work w/ HBI in future.

Could get their support for Harris polls by
adding some slides promoting their
products.

Another group: Schaeffer Controls

Has gas sensor to tell when gases reach
certain levels, vent. automatically comes
on.

CO₂ Sensors can't do that - that's what's
normally used.

* Could use as justification for Harris polls.

Need to talk to
Mopsey. - in next week.
Ohio, Illinois

HBI needs target cities

Payment : HBI to C+B to us to PM
PM to us to C+B to HB

Terminate HBI contract; then HBI to enter into
whatever he needs to w/ C+B, nothing needed.

* Susan to talk to Adams + Mulwray.

* HBI Magazine mailing list. groups.
