RE: Role of Oxygen in the Coordination of Cellular Events During Hypoxia
Award Number: SA046R1

Dear Dr. Land:

We are pleased to advise you that your renewal as a Council for Tobacco Research Scholar has been approved. This honor carries a \$50,000 Award for the period July 1, 1997 through June 30, 1998. This award is made without guarantee of support beyond June 30, 1998 even though we anticipate support for an additional year. Your institution may expect payment in mid-July.

We hope that the coming year's research will be productive and rewarding.

Sincerely,

James F. Glenn, M.D.

cc: Dr. John D. Rummel
Dr. Arthur Eisenberg, Research Scholar Program Director
Dr. Harmon McAllister, Scientific Director
