**Subject:** 8451 Draft Protocol and Draft CRF

Attached are the Microsoft Word and Adobe PDF files of the first draft protocol and the first draft CRF for the 8451 study.

Traci suggested that it would be best to use the PDF file since the pagination may change when the Word file is opened on differing systems. You may, however, want to use the "track changes" feature in Word to make electronic changes after looking at the PDF file.

If you would like to receive a hard copy of the documents, please let me know.

We look forward to your comments,

Regards,
