July 17, 1986.

Dear Sirs,

Re: Dutch Patent Application No. 8101406
Rothmans of Pall Mall Canada Limited

With reference to your letter of July 11, 1986, we inform you that above-mentioned Dutch patent application is still pending. There exists a novelty report and the request for continuation of the granting procedure was filed on August 31, 1982.

Our debit note follows.

Yours faithfully
NEDERLANDSCH OCTROOIBUREAU

Ir F. Veldhuijsen.

Although the searches are carried out with the greatest possible accuracy we can assume no responsibility for possible incompleteness or errors, A.O. in view of the fact that the classification of the Patent Office according to our experience is subject to unexpected alterations and errors are therefore possible. The insertion of this clause is approved of by the Supervisory Board of the Chamber of Dutch Patent Agents.

From February 3, 1986
