Dear Sir(s),

re Application No. 10914/70  
Subject: Tobacco Fillers (RD 99)

We beg to remind you that the above Application will fall due for completion shortly.

The Complete Specification should be filed at the Patent Office before the 6th March 1971. Corresponding foreign patent applications, if any are desired, should also be actually on file in the respective Patent Offices by that date if the priority of date of the British Application is to be claimed.

Please acknowledge this letter and as soon as possible let us have your instructions in the matter.

If the application is to be completed, please also inform us of any material developments made since the Provisional Specification was filed. Finally, please provide us with drawings or sketches or a model from which we can prepare any necessary drawings to accompany the Complete Specification.

We are, Dear Sir(s),  
Yours faithfully,

*Robert L. L.*
