Note to Charlie Springer

From Dianne Jones

Date 10/10/92

1992 ANNUAL REPORT

I am currently updating our information files for use in the forthcoming Annual Report and need to establish the number of countries in which BAT operates (including sales offices which B&W may have opened eg in Moscow).

I would be grateful if you could make any additions to the enclosed list and return it, if possible, by 10/11/92.

Many thanks for your help.

Best regards

Dianne
