Dear Don:

Regrettably I have to be out of town for our employee barbecue on Friday. I truly am sorry of this conflict.

I believe you mentioned that you would be making a couple of comments at the luncheon and, if you do, I would like for you to read the attached letter. I did want to express my deep appreciation to our employees for the truly outstanding job they have done.

Also, I would be remiss if I didn't express my appreciation to you for your outstanding leadership and management in the organization and start-up of the Pilot Plant, as well as in the overall SPA Project. It has been a very fine job on your part.

Obviously we still have to get the "ball over the goal line," but I am totally convinced we will do just that.

Sincerely,

F. Hudnall Christopher, Jr.
