RE: PARLAMENT 100'S PKG

IT HAS BEEN BROUGHT TO OUR ATTENTION THAT IN RECENT SHIPMENTS OF
FLKT 100'S THE PLMT WORKING ON THE PK IS 'HEAVIER/THICKER' THAN
BEFORE. IS THIS A PKG CHG? IF SO, BY WHOSE DECISION? IF NOT A
CHG, WHAT IS THE CAUSE, AND WILL WE RETURN TO ORIGINAL 'THINNER'
LETTERS AFTER CURRENT INVENTORY OF LABELS IS DEPLETED?

ANY INFO WOULD BE APPRECIATED.

RGDS,
