A MESSAGE FROM KEN MCFEELEY A POLICE OFFICER IN NEW YORK CITY FOR 19 YEARS
HE WAS SO RESPECTED THAT HE WAS ELECTED PRESIDENT OF THE PATROLMEN'S
BENEVOLENT ASSOCIATION.

MY NAME IS KEN MCFEELEY. RIGHT NOW I AM LIVING UNDER A DEATH SENTENCE THE
DOCTORS TELL ME THAT I HAVE MAYBE FIVE OR SIX WEEKS TO GO BECAUSE I HAVE
LUNG CANCER CAUSED BY SMOKING.

THE DANGER THAT THREATENED MY LIFE AS A POLICEMAN WAS SITTING IN THAT
RADIO CAR AND LIGHTING UP THAT CIGARETTE. I AM 47 YEARS OLD AND I'LL NEVER
SEE 48.

YOU FACE MORE DANGER WITH THE 20 CIGARETTES THAT ARE IN YOUR POCKET THAN
ANY SIX BULLETS IN SOMEBODY'S GUN. CIGARETTES ARE A TIME BOMB THAT YOU
PLANT IN YOUR OWN LIFE THAT EXPLODES 20 OR 30 YEARS LATER AND YOU KNOW
SOMETHING, YOU CAN STOP IT IF YOU STOP SMOKING NOW.

KEN RECORDED THIS MESSAGE FOR OTHER SMOKERS TO HEAR BEFORE HE DIED IN
NOVEMBER 1986.

THIS MESSAGE IS PAID FOR BY THE MARTIN LUTHER KING JR. FOUNDATION IN
COOPERATION WITH THE AMERICAN HEART ASSOCIATION.
