

Mr. M. V. E. Stecker, Jr., Manager  
Parham, Kansas

September 3, 1965

O. N. Coty, Manager - Quality Control  
Research and Development

The flavor components for the Project SC Finishing Flavor are very similar in character to those used on your other blends. Therefore, we see no danger of contamination in the use of the same equipment and areas for manufacturing and storage of Project SC blend.
