Dear Bill:

Attached is the final invoice for expenses for the Section Meeting materials we produced a couple of months back.

The original estimate for expenses was for \$19,626.00. Because we did much less traveling than originally planned, the final amount for expenses, \$10,811.47, was considerably less. The attached invoice also reflects the credit of \$2,645.00, for a final total of \$8,166.47 due.

Let me thank you one last time for having selected the Caribiner Group to produce this important project and also for your help in selecting us to produce the Basic Box Launch.

Sincerely,

Tony Greco
