and the like of various length.

Appl: 2.11.59.

Accd: 15. 5.63.

ZAVODY V.I. LENINA PLZEN.

Prior: 8.11.58.

Czechoslovakia.

U.K. 926,043

A magazine for containing cigarettes, filters etc. prior to further processing consisting of front, back and side walls, a detachable lid and a bottom in the form of a slide. To allow for different size articles to be held securely, the front wall is detachable and replaceable with other walls which are shaped i.e. having inset main areas which effectively reduce the distance between front and back walls.
