Date 11/25/70

To Dr. Harkett

From J.P. Long

311 Medical Laboratory
Extension 353-5854

Very fine abstracting
a better job than I would
have done.

Please show these abstracts
to Dr. Hayt. There are in addition
to the research efforts that I wrote
him about. I'm also awaiting
a reply to my question
concerning research expenditure/manuscript.
