MEMORANDUM

To: Robert J. Graham  
Michele A. Stanish-Walls

From: Alexander H. King

Subject: 6/23/86 Region V Staff Meeting

---

Just a short "bullet" review of what I recall we discussed at our first weekly staff meeting. Let me know if I over-looked anything. (These are not necessarily in order.)

- . Up-date on current status of Montana special session.
- . Discussed new FANS newsletter, and its more vitriolic rhetoric against legislators who sound "...like a servant of the Tobacco Industry...".
- . AHK/RJG to meet 6/23 with Jerry Farley and Mike Waske, re: King County workplace ordinance.
- . AHK had gotten approval for this week as vacation; now delayed due to MT special session; in office this week ("on call" to MT); still plans to be gone Fri.
- . RJG in office this week; will take 1/2 day off Wed & Thurs; balance of vacation planned for August.
- . RJG will follow through with Chas Hord re: balance of Craig honorarium; will give Hord correct address & will remind him to show "honorarium" on check.
- . AHK has approval from RLM to assist Hord in making up funds.
- . RJG will coordinate GSA letters project; will contact key contacts, individuals, TACs, etc.
- . MSW is to assume greater role for secretarial services for RJG; materials leaving this office will conform as to style, etc.; this will assist RJG to concentrate on reg. dir. activities.
- . Some discussion of Smokeless Tob. Council interest in political campaigns in WA.
- . RJG reported Tom Maddox reports Wed., 6/25, is deadline for intro of bills in MT.
