Dear Fred,

Thank you for your letter of 20th April, 1977, and the enclosed photocopies dealing with kenaf fibre.

I shall now go ahead and ask Ecusta to prepare for us samples of their cigarette paper(s) and will keep you informed of the results of any evaluations which we carry out.

In my letter to Ecusta I will also mention your interest in their paper and indicate to them that you will make a direct contact. I would suggest that you approach either Mr. E.M. Baltrusaitis, Regional Manager, or Mr. W.F. Owens, Jr., Director, Tobacco Industry Research, Technical Department. Both of these gentlemen may be contacted at -

Kind regards,
Yours sincerely,
