Dear Doug:

I enclose a copy of the Monthly State Cigarette Tax Report for February, 1983. During the Committee hearing on H.B. 551-FN, there was discussion regarding the trend of sales in New Hampshire during the last several months. Because this is the latest data available, I pass it on to you in hopes that it will be of some use in your Committee's deliberations.

Should there be any questions, please do not hesitate to call Steve Duprey or me.

Sincerely,

Paula
