Dear Mr. Juchatz:

I am enclosing a copy of WLF's comments to the Environmental Protection Agency (EPA) concerning its Revised Draft Risk Assessment of Environmental Tobacco Smoke (ETS). WLF filed its comments yesterday morning.

WLF continues to oppose excessive and burdensome government regulation as a part of its effort to create a pro-free enterprise legal environment.

I hope you find the enclosed valuable, and I thank you for your continued support of WLF.

Best regards,

A. Bruce Bowden II  
Vice President, Public Affairs
