your reference

Dear Alan,

Following our discussions in London I indicated to you the possibility that Martin Clucas would be taking over responsibility for the BAT relationships since Jonathan Crowe is to be promoted to Sales & Marketing Director of TPL Ltd. At a meeting yesterday this was confirmed by the TPL Ltd Executive, and from the 1st January Martin Clucas will be the principal point of contact. We can obviously discuss this at greater length on December 1st, and prior to that both myself and Jonathan will be talking to Martin concerning the immediate priorities.

Best regards,

Yours sincerely,

  
J.N. Hooper  
Chairman

cc Martin Clucas.
