

The General Secretariat of CORESTA  
Cooperation Center for Scientific Research  
Relative to Tobacco

TS

announces the opening of nominations for  
the first  
CORESTA STUDY GRANT

intended for a young graduate who has not yet joined the tobacco profession but who has already carried out some research in this field, or in the fields connected with tobacco (papers, filters, etc..) and who wishes to meet international specialists.

\*

The prizewinner will be invited to present his work to research workers in his speciality at the Varna (Bulgaria) Symposium in October 1978.

The grant, which will not exceed \$ 5000, will pay the prizewinner's travelling and living expenses and could help him continue his research in a CORESTA member institute of his choice.

\*

Registration forms are obtainable from the CORESTA General Secretariat, 53 quai d'Orsay, 75340 Paris Cedex 07, France, and must be returned to this address before the 31st March 1978.

\*

The grant will be attributed by a jury nominated by the CORESTA Scientific Commission.
