Subject: RE: Presentation

We need to assemble info for a review with Hector on Thursday **Sept 27** from 4:30 - 6:00pm. This meeting will be at the O/C or in Ashland (to accommodate Nyffeler). It's in preparation to talk to Beran on Monday Oct 1, 2001. I will be presenting to Hector on Thursday. You will be the subject matter experts (if the meeting fits your calendar)

Stuff for Beran will zero in on the Product development time line.

For Thursday with Hector and Urs
