Subject: Alliance for Balanced Pain Management release and Q&A / NEED EDITS BY END OF DAY TOMORROW
Importance: High

TIME SENSITIVE

Nancy and Staci –

We need feedback on this press release and Q&A from the perspective of approving as it does mention Mallinckrodt's name. Please note that the Alliance steering committee may alter the content or some wording following the summit Thursday-Friday. Please advise of your approval or if you have any significant concerns we should address by **end of day tomorrow** so we can continue to advance this through reviews needed.

Thanks,
Rhonda
