Philip Morris v. ABC
TO: D. L. Jenkins
FROM: D. C. Saunders
SUBJECT: UREA SUPER SACK USAGE
DATE: July 9, 1993

Attached is the economic evaluation of receiving urea quantities of 2000 lb. in super sacks vs. presently in 50 and 100 lb. bags. Plans are to schedule the evaluation S. Z. Shakeri recommends in her first recommendation listed on the final page of the attached. This will be prioritized and scheduled when she returns to work in early August.
