Hi Gina,

In an effort to make sure I am managing reasonable expectations internally and for forecasting, we had put in 50,000/year for the Fentanyl Patch 12. I know there will be a ramp up period of a few months, but wanted to get your opinion if ~4K/month still seems reasonable and what that ramp up time would probably look like, 5-6 mos?

Thanks!  
Lisa

Hi Gina,

Would you be able to provide me with your expected usage on the Fentanyl Patch 12? I don't believe I received usages on this new item yet.

Thank you,  
Lisa
