Dear #141-59222

I am a true born old time Camel  
(I smoke Camel #100's)

I have gotten several pkts of  
Camels that have had bad  
filters or not too much  
tobacco in the paper. With  
the price of a pk. of

Cigarettes now a days a person  
simply can not buy a pk and  
not get the full amount of  
cigarettes to smoke. I am  
60 yrs old and have smoked  
Camels for over 42 years.  
I enjoy the taste and  
smell of them. Enclosed is  
just a sample of a messed up  
cigarette. Always a Camel  
smoker until the end!  
Thanks. Mrs. Shirley Orner
