Meeting of Principals & Senior Industrialists  
with  
Chairmen of Education Committees

I am happy to let you know that since I wrote to you with the report of the Easter School, which was held at the end of March, I have followed up the recommendation made at the meeting which you attended on 2 March, for Principals and Senior Industrialists to meet Chairmen of Education Committees and County Education Officers.

This meeting has been arranged at the University at 11.0 a.m. on Friday, 8 October, over lunch and finishing at 2.15 p.m. I hope this date will prove convenient for you as we should value your support in presenting our ideas and plans to the Chairmen and Education Officers.

Papers for the meeting will be issued nearer the date and we hope to show a video recording of the final session of the Easter School on the day too.

With best wishes,

R.H. Gammon
