Dear Bill:

I enclose a draft of a news story on your Rich Lights vending offer. It's based on your January ad, which I just spotted. (Apparently no press release was issued.)

As I'd like to run this in our next issue, I'd appreciate your giving it a once-over for accuracy, and letting me know if it's OK. You can make any corrections or additions directly on the copy. Many thanks.

With kind regards, I am,

Sincerely,

ARTHUR E. YOHALEM
