Bonnie,
Please check with Frena. Pennsaid is listed but if Exalgo is on contract , then we need to add it. Thanks

Mike

Hi Mike,

Thank you for approval the VIP extension for Kroger.

In reviewing the revision before I send it to Bob, I wanted to get your opinion on Pennsaid and Exlago. They were not on the original VIP because it was signed before they launched. Now that they are available and I believe Kroger has a contract with Brand on these products, should they be added to the exclusions just for safety sake?

Thank you,
Bonnie
