Disregard. I found the verbiage Eileen used. I'll add it to all related orders/SKUs.

I would suggest the below items that are not to ship be placed on backorder until we ship the order on Dec. 7. Otherwise the items will print when the order prints, as they are allocated.

Please note the following orders highlighted in green have been released from U2 hold, however it is imperative 2542 and 2779 do not ship item number 052301. Once those orders have invoiced they need to go back on hold (H3).

Please do not hesitate to contact me should you have further questions.

Thank you,

Jen
