Subject: RE: pierce county
To: Merlo, Ellen

yes we did. we had lots of turnout at the hearing and media support. the counsel for the county even acknowledged that there was a problem with locals regulating in this area, but the Board went ahead. keane has been working with c&b on lawsuit. we have worked on the ground to identify co-plaintiffs. i've called denise to find status of the suit, but have reached her. i spoke to shuanise yesterday.
