Spencer, MA -- The board of health is considering comprehensive retail regulations including bans on self-service displays. The board will hear public comments on 9/23.

Bob Stone requests phones to retailers and smokers to encourage attendance and input at the meeting.

Marshall, MN -- The city council's ordinance committee met on 9/16 with retailers on a proposal that would ban self-service displays. About 13 retailers attended. The council had previously planned to push through their own proposal. Now, the council and the city attorney will review retailer sponsored proposals and ordinances passed in other cities. No date is set for further consideration.
