 sample 3 = 402

JUNEAU
 FINAL

Hello, my name is _____. I'm with The Nelson Report, a Northwest public opinion research firm. We are conducting a survey in this area today. May I take a few minutes of your time to ask you some interesting questions? I promise I'm not selling anything.

First of all, are you registered to vote in the State of Alaska?
 (INTERVIEWER: If NO, politely terminate survey)

- A. As far as you are concerned, what are the two or three serious problems facing the City of Juneau today? (PROB.)

Besides Juneau Assembly candidates, there are several propositions that will appear on the October Municipal Election ballot.

1. The City of Juneau currently has a permanent sales tax and a temporary 3% sales tax which will end on July 1, 1992. The Assembly has proposed extending the temporary 3% sales tax for an additional five years. Do you FAVOR or OPPOSE this proposition for an additional five years?

1. Favor 56-54-56
2. Oppose 27-28-29
3. Not Sure 17-18-15

2. Another proposition would amend the City's Borough Charter to eliminate all masculine gender references in the charter and change assemblymen to assembly or assembly members. Do you FAVOR or OPPOSE this proposition?

1. Favor 56-56-58
2. Oppose 26-26-25
3. Not Sure 18-18-17
