RE: TOYS FOR TOTS CAMPAIGN

*"Every child deserves a little Christmas"*

Carr Real Estate Services in conjunction with Volt Temporary Services is sponsoring the United States Marine Corps Reserve Toys For Tots Campaign.

The belief that *"every child deserves a little Christmas"* has made the United States Marine Corps Reserves' Toys for Tots program a holiday tradition in America for almost 50 years — a tradition that we are proud to be a part of.

The toys you donate may be for toddlers, boys, girls or teens. They must be new, unwrapped, and of a minimum value of \$5.00. No food, perishables or cash is permitted. Collection boxes are located in the lobbies of each building. The collection period will run through December 16.

Thank you for your help in making this Holiday Season a joyous one for thousands of needy children.
