The owner name was changed
on a number of the attached list-
ed cartons.

First, those ref. Karen Wrio, Houl
Lidger (corpact6) she will either
indicate a destruction date or sign.

Those I've ref. USA, I spoke with
Pam Di Roman, on Monday upon her
return from vacation. I informed
her that although these vouchers were
processed thru Corp R/P, that we would
review these cartons to confirm that
they in fact are USA vouchers processed
before their date was created creating
from Corp div. and then advise her.

2) Bill, it's app opp's feeling
that those cartoons belong
to USA should have their
destructions authorization.

Thanks
